Om Shanti!

Om Shanti Mandiram has assembled, organized, edited, published, and distributed wholesome holy literature on OM in various forms, more than any other organization in the world as of today. Our total literary output by now exceeds 12,000 pages in 45 volumes, plus 15,000 enchanting pictures and some rare chanting music. By now our total monetary contribution exceeds \$90,000! We have done some work. However, much more still remains to be done.

The Director of Projects, Linda Canestraight, has worked hard at supporting our cause, the dissemination and preservation of Indian culture and universal oneness for the world via the Internet. She has become fully embraced by the spirit of OM and the Hindu culture.

Dr. Murarilal Nagar, the head and heart behind the operation, has offered forth countless ideas, inspirations and writings to Om Shanti Mandiram and those carrying out its message. Many of his writings are featured in this issue.
